@meh6000 Mike me & @ironybroe want you on our new pod. The 1st guest!

We'll keep it impersonal if you do. You can even ask your employers at the ADL for a list of what you can't comment on that I'll respect

e.g. I wont ask how you square your anti-racist/anti-fascist crusade with the ADL declaring the murder of unarmed Gazans "protecting Israel's sovereignty"
